OFFICE NOTE.

SUBJECT. Estimate for Rs 2500/- for lowering the bund of Jeevanrayana Kere at Dupsone

LAST REFERENCE Letter No. 831 dated 3rd May 1902

Flag A

The letter referred to is in the annual file pertaining to the year 1901-2. A loan of Rs 2500 is sanctioned at 4% - in ord Rs 18510-12 L.7.204-93. 17th May 1902

from the President of the Municipal Commission Dupsone City.

The Chief Engineer forwarded to the President of the Dupsone City Municipality a plan and an estimate for Rs 2500/- for lowering the bund of Jeevanrayana Kere in the city, and enquired whether the work could be carried out by the Municipal agency out of Municipa

MGCPB—250—13-3-02

2 The matter was, therefore, placed before the Board and the following resolution arrived at —

"The work is necessary on sanitary point of view but as the Board cannot at present spare funds for the work, the Govt may be moved to sanction a loan to carry out this necessary and urgent work".

3 In submitting the above resolution, the President endorses the Board's view and solicits early sanction to the said loan being granted, as the work has to be completed before August

next

4. It is submitted that the Mysore City Municipality is already indebted to Government to the extent of Rs 1,66,255, and its finances are in a low ebb. The closing balance for the current year is estimated at Rs 9414 i.e. less than the prescribed minimum by Rs 10,586/- further

5. It is submitted that when the Board applied for permission to raise a loan of 2 Lakhs in the open market for the purpose of effecting certain improvements in the City the Dewan was pleased to observe as follows:-

Such general

proposals

proposals are incon-
venient to deal with.
Much good has resulted
from the advance of
Rs 39,000/-. Similarly
other blocks may be
chosen and separate
proposals may be
submitted, when they
may be considered and
promptly dealt with"

No 836

From

H. Ramanuja Iyengar Esqr
President city municipality Mysore,

To

H. V Nanjundayyah Esqr
M A Mk.
Secretary to the Govt
of Mysore
General and Revenue Depts,

Sir,

I have the honor to state that the Chief Engineer has with his no 172, dated 21st March 1902, forwarded a plan and an estimate amounting to Rs 2500/- for lowering the bund of the Jeevanarayana Kere Tank and has requested to be informed whether this simple work can be carried out by the Municipal Agency and from Municipal Funds. This subject was placed before the Board for consideration at their last meeting and the Board while fully alive to the sanitary and other benefits that will accrue from the execution of this work to a highly congested part of the Town, feel unable

to undertake the work from Municipal funds which are now in a low state.

I would, therefore, endorse the resolution of Board and request the favour of a loan being sanctioned from "State funds" to carry out this necessary work. I beg that you will kindly move the Government for the early sanctioning of a loan for the work as it has to be completed before August next (Vide copy of Chief Engineer's no 2540 dated 2nd may attached). Copy of the resolution of the Board is also herewith submitted.

I have the honor to be,
Sir,
Your most obedient Servant

K Srinivasa Rao
Vice President

From

The Chief Engineer
of Mysore

To

The President, City Municipal
Board Mysore,

This office no 1727 dated 21st March 1902 enquiring whether you will have the work of lowering the bund of Jeevanayanakere and reducing its water-spread, as per estimate and plan forwarded, carried out by the Agency at the President's disposal, from Municipal funds.

Has the honor to invite attention to the above, and to request the favour of an early reply thereto. The matter must be settled at once, as the work has to be completed before August next.

No. 2656

From Colonel C. Manick Lambert
Chief Engineer of Mysore.

To C. & V. Ranjundayya Esquire M.A., M.L.
Secretary to Government of Mysore
General and Revenue Departments

Sir,

With reference to letter No: 836 of the 3rd instant, from the President of the Mysore City Municipality to your address, I have the honour to inform you that the work therein referred is one of the urgent works ordered by the Dewan to be carried out before the arrival of the Viceroy in connection with the Investiture of His Highness, and that it cannot be completed in time unless it is taken in hand at once. It is therefore requested that very early orders may be passed on the President's reference quoted above
